Testimonials

“ When I was driving to the class, I was dreading it. I could not have been more wrong. The class was the best training I have attended in many years. The course was a rousing success and reinforces the value of CMAA.

David Ahern, Project Manager
OC Public Works

“ CMAA is the premier resource for professionals working in the built environment and has made a monumental difference in my career. Becoming a CMAA Authorized Trainer has allowed me to meet and instruct a wide variety of industry professionals and owners. Train the Trainer is a well-structured class that is set up to share the best practices and will expand your skills as well as provide tools to become a CMAA-authorized trainer. I have grown and improved since taking the course and look forward to future training sessions.
